

All proceeds collected from today's event will go to Right To Play's 'Promoting Life-skills in Aboriginal Youth' (PLAY) program right here in Alberta. Right to Play partners with more than 85 First Nations communities and urban Aboriginal organizations across Canada to deliver safe, fun and educational programming for Aboriginal children and youth. Each uniquely tailored play-based program is designed to enhance educational outcomes, improve peer-to-peer relationships, increase employability and improve physical and mental health amongst Aboriginal children and youth. The Crown v Defence Hockey Classic has raised over \$125,000 for the PLAY Program.
